

2021 Newsletter
Covering the Period from December 2020 - June 2021

Dear brothers and sisters in Christ

Greetings during this MCO and EMCO period.

The pandemic situation in our country has gotten worse since last year and we pray to our heavenly Father for his protection over us and healing for those who have fallen ill because of the virus. For most of this period, many of our users were not able to meet in groups physically; schools and Sunday Schools were shut.

Sunday Schools and some Christian private schools were able to continue their Bible Knowledge lessons via our e-Learning programs.

We have three Visual Bible Explorer Series titles available on-line and three e-Publications available for free. Please feel free to share the links with your friends.

They are accessible from our Web Site: www.pristine-world.com

God bless and keep you all safe and well,
