20th Anniversary Pristine World Newsletter

Covering the Period from January to June 2025

Dear brothers and sisters in Christ

Greetings and hope all is well with you and your loved ones.

On this day, 20th of June 2005, our company was registered with the Registrar of Companies, Malaysia.

Time has flown by. We are celebrating our 20th year since inception, of creating Bible-based learning, using books and E-technology to deliver easy-to-access lessons to the churches in Malaysia and the world.

In the last 6 months, we continued to focus on improving our E-Learning programmes in English and Bahasa. We also expanded our reach in the BM churches throughout Malaysia, especially in Sabah and Sarawak.

To celebrate our 20th anniversary, we will launch two E-books, together with student workbooks and teacher's guide in English and BM.

Our resources are accessible from our Web Site: www.pristine-world.com

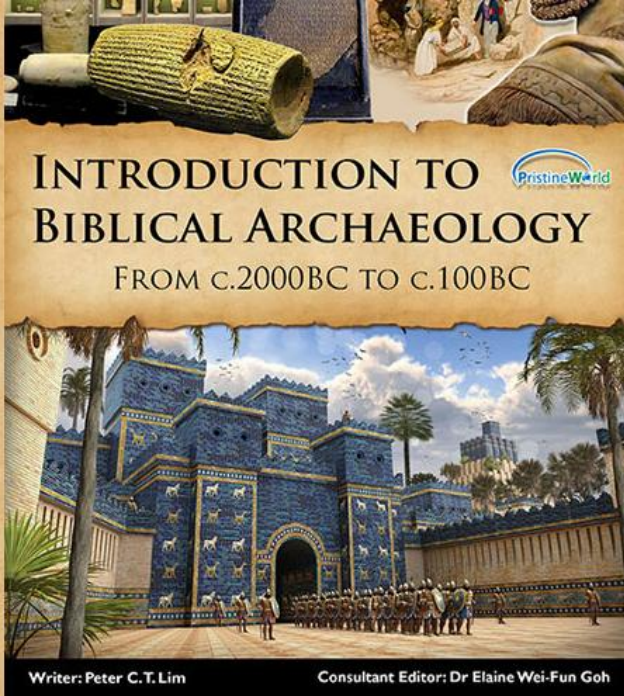

God bless and keep you all safe and well,
Peter C. T. Lim for Pristine World

Is the Biblical narrative based on historical facts? Are there any archaeological pieces of evidence to support the Bible? This book explores the following:

- The top 20 most significant discoveries that corroborate Biblical history.
- Who made these discoveries and how they were made.
- The process of deciphering ancient scripts and identifying those who broke the codes.
- Some of the individual conflicts and even national rivalries that arose during the acquisition of ancient artifacts.
- How ancient artifacts serve as evidence for the reliability of the Bible.

Announcing New Book from Pristine World

Navigating Life with a Biblical Worldview

helps teens build a solid foundation in God's Word so they can confidently stand for their faith when encountering people of different cultures, ideas, and worldviews in university, at work, and in everyday life.

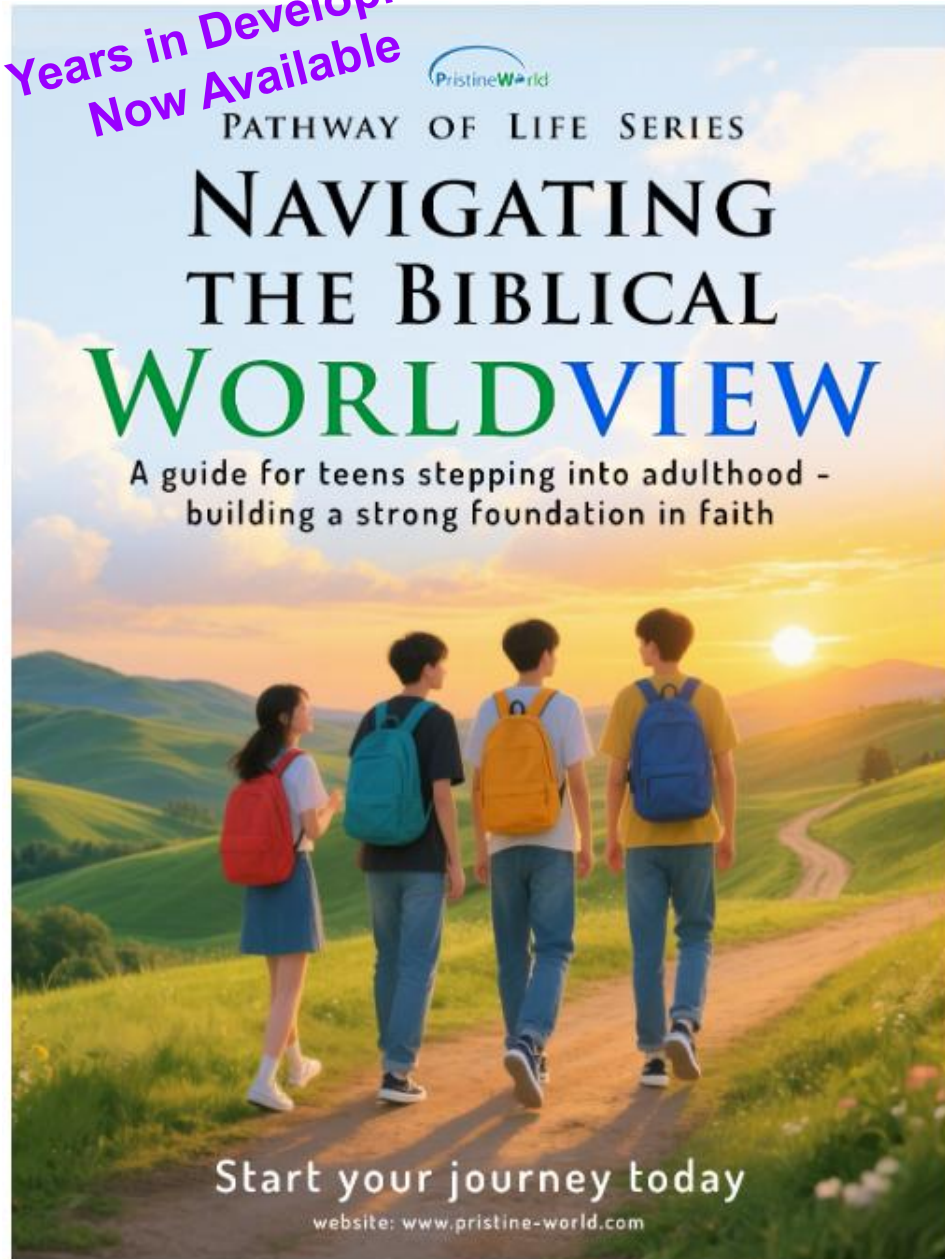

This easy-to-follow book guides teens through the basics of the Christian worldview—who God is, what the Bible teaches, and how to live out their faith in a world filled with noise and confusion.

Whether used for personal growth or in group study, this resource equips young people to live with wisdom, courage, and a clear sense of purpose grounded in God's truth.

The first customer: **Grace Church of Christ, Wantirna, Melbourne** has been using this product in their youth program since April 2025, and have given positive feedback.

Testimony from a teen's teacher in the Church. *He has taught three chapters so far and found them to be good. "The content relates to real-life experience and questions, and it has generated many discussions. Including more reference to scripture verses will be useful."*

Another testimony from the church said: *"We'd also like to express our gratitude to you because this series is so interesting and effectively integrates Bible teachings with a worldview perspective. It's building a strong foundation for teens and bringing Biblical principles into real-world contexts."*

Menyelami Pandangan Dunia Berdasarkan Alkitab membantu remaja membina asas yang kukuh dalam Firman Tuhan supaya mereka dapat berdiri teguh dalam iman ketika berhadapan dengan orang yang berlainan agama, idea, dan pandangan hidup di universiti, tempat kerja, dan kehidupan seharian.

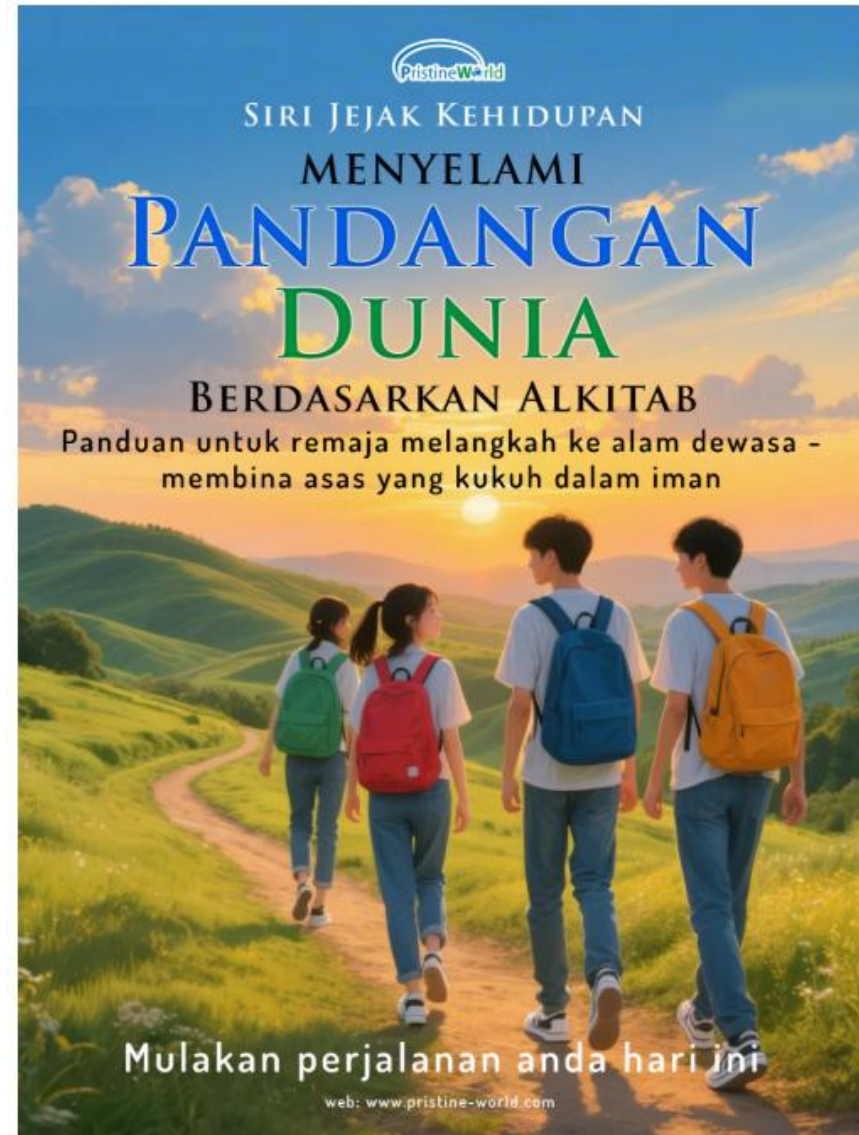

Buku yang mudah difahami ini membimbing remaja melalui asas pandangan hidup Kristian—siapa Tuhan, apa yang diajarkan oleh Alkitab, dan bagaimana untuk menghidupi iman mereka dalam dunia yang penuh kekeliruan dan bunyi yang bercanggah.

Ia juga menyentuh topik kehidupan sebenar seperti sains, perhubungan, media digital, seksualiti, ketagihan, dan cabaran moral, serta menyampaikan kebenaran Alkitab dengan kasih dan kefahaman yang jelas.

Sama ada digunakan untuk pertumbuhan peribadi atau dalam kajian berkumpulan, sumber ini mempersiapkan golongan muda untuk hidup dengan hikmat, keberanian, dan tujuan yang jelas berlandaskan kebenaran Tuhan.
