From Favourite Son to Prison

Joseph Faced Many Difficulties

- His brothers were jealous
- Joseph was sold as a slave
- He gained favour with his master
- But he had to flee from temptation
- He was imprisoned unfairly

Joseph did nothing wrong – but bad things still happened to him.

God Was Always With Joseph

God can use bad things for good

- God helped Joseph
- God gave Joseph strength
- God was with him everywhere

God was always watching over Joseph. His brothers had planned bad things for him, but God had a plan to use it for good.

The Story Is Not Finished Yet

God's Plan Was Still Working

- This is not the end of Joseph's story. Later, God would use Joseph in a very big way. He would become the Prime Minister of Egypt.
- He would help save many people from hunger, and even help his own family.

God can turn sad things into good things.

What Can We Learn?

Lessons from Abraham & Sarah

- Run from sin
- Do what's right

Prayer
